(d) the names of institutes which have been engaged in executing the said task at the grassroot level; and
(e) whether the Government is likely to provide any resources for the success of e-education and if so, the details thereof?

Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)
(a) to (c) Government is committed to promoting e-learning since it provides opportunities for the students all over India to access good academic resources. Many initiatives have been taken in this regard under the National Mission on Education through Information and Communication Technology (NMEICT), which have been supported by programmes under the Rashtriya Madhyamik Siksha Abhiyaan (RMSA) and from other specialized programmes like SWAYAM.
